RE: Summer 2012 Immersion in Nice, France - 7/28 to 8/11

As your son or daughter continues the study of French, opportunities to use what they learned in the classroom will become available. One such opportunity is a Two-week Immersion Program in Nice, France, now being organized for 2012 by Mr. Della Cioppa of the Westborough Foreign Language Department who will also be the group leader. This program features a home-stay with a study component. Students are placed with carefully selected families and are required to attend morning classes. Actilangue, a private French Language School runs the program and organizes day trips to surrounding places of interest and evening social activities.

For the serious French student, the road to fluency should include the opportunity to use the language in real life situations. At a cost of \$3500.00, this program, which includes round trip airfare, tuition, room and board, sight seeing, evening activities, and more is such an opportunity.

If you are interested in having your son or daughter participate in this program, please, fill out the attached form and reserve a spot by including a \$350.00 check made out to Immersion Abroad.

*This trip is also opened to teachers, parents, and other adults who wish to either improve their French or simply enjoy a leisurely 2-week vacation in this welcoming and charming city.

I am interested in participating in the 2 week Immersion Program in Nice, France during the Summer of 2012. Please send me an application form and more information regarding the program. Included is a \$350.00 check made out to Immersion Abroad. Registration is now under way.
