RE: Summer 2009 Immersion in Salamanca, Spain – 8/1 to 8/15

As your son or daughter continues the study of Spanish, opportunities to use what they learned in the classroom will become available. One such opportunity is a 2 week Immersion Program in Salamanca, Spain, now being organized for August 09 by Mr. Della Cioppa of the Westborough Foreign Language Department who will also be the group leader. This program features a home stay with a study component. Students are placed with carefully selected families and are required to attend morning classes. Colegio Delibes, a private Spanish Language School runs the program and organizes day trips to surrounding places of interest and evening social activities.

For the serious Spanish student, the road to fluency should include the opportunity to use the language in real life situation. At a cost of \$3350.00 this program, which includes round trip airfare, tuition, room and board, sight seeing, evening activities, and more is such an opportunity.

If you are interested in having your son or daughter participate in this program, please fill out the attached form and reserve a spot by including a \$350.00 check (Non-refundable) made out to Immersion Abroad.

\*This trip is also opened to teachers, parents, and other adults who wish to either improve their Spanish or simply enjoy a leisurely 2 week vacation in this welcoming and charming city.
